

“God’s Aggressive Love”

1 John 4:7-11

Introduction:

Proposition: Just as a fruit tree cannot produce fruit by itself but is dependent upon many outside factors, we are dependent upon God’s active involvement in our lives in order that we might be what He has called us to be (i.e. we love because He first loved us).

I. The Father’s electing love

II. The Son’s redeeming love

III. The Spirit’s perfecting love

Conclusion:
