

Heritage Of Victory! Part 1

**I Text:**

Old Covenant: *Genesis 3:8-15*

New Covenant: *Matthew 28:16-20*

**II Doctrine:** The only human beings who were free to choose between good and evil were Adam and Eve. Our first parents chose to declare themselves equal with God just as Satan had done. With this decision they lost their ability to do works of righteousness and were slaves to sin. They were not allowed to cover their sins by their own works. God would provide a savior born of a woman. Through the sacrifice of our Lord Jesus Christ on the cross, our heritage of defeat would be changed to a heritage of victory. After the resurrection of our Lord, all the world was given to us to conquer in His name. Every ethnic group under heaven would be taught to obey our Lord's commands. All institutions including marriage, family, church, school, and state, would be reconstructed according to the word of God.

**III Comparing Scripture With Scripture:**

1) The only human beings who were free to choose between good and evil were Adam and Eve. Our first parents chose to declare themselves equal with God just as Satan had done. With this decision they lost their ability to do works of righteousness and were slaves to sin. (*Romans 3:9-19; Psalm 14*)

2) They were not allowed to cover their sins by their own works. God would provide a savior born of a woman. Through the sacrifice of our Lord Jesus Christ on the cross, our heritage of defeat would be changed to a heritage of victory. (*Romans 3:21-31*)

3) After the resurrection of our Lord, all the world was given to us to conquer in His name. Every ethnic group under heaven would be taught to obey our Lord's commands. All institutions including marriage, family, church, school, and state, would be reconstructed according to the word of God. (*Isaiah 61*)
