Congregational News

Our youngest member, Adler Maring, was admitted to the hospital this past Thursday because of an infection. He will probably be under care in the hospital for a few more days. We pray that our Almighty God will give healing to Adler, and also peace and strength to Jayden and Faye during this time of uncertainty. We look forward to Adler's baptism sometime soon.

At the time of writing, sister Greta Louw was still in the hospital. She has been dealing with pericarditis (a swelling of the sac around the heart) as well as a virus. May God bless the treatment that she receives and allow her to come home soon.

Last Sunday we prayed for Vernon Postmus. Thankfully, he made a quick recovery from a nasty infection in his arm, which probably occurred because of a spider bite—dangerous country that we live in! We are grateful for excellent medical care. May we all have a blessed Sunday. RB
