

Message Title: Considering God's Schedule Pt-4

Theme: This message gets into the ages of the Earth and how the description of creation in Genesis One, is only part of the story.

What people believe is very controlling. It provides direction in life but how we come to believe what we do is seldom ever thought about. People were taught that the world was flat and that was the primary reason that they congregated in Europe and Africa instead of exploring the earth. Even after Columbus many refused to believe any differently. They were unaware that the Old Testament in Isaiah described the Earth as a circle, see 40: 22.

In this message serious consideration is given to the additional information in Second Peter describing a previous Earth that went bad and how God recreated it.

Salient Points: Why we age, Circumcision, God's interacting creation, Signs of things to come, God is directly involved, God doesn't need our approval, New creatures in Christ Jesus, Starting over again and again, A new Earth, Scientific guessing games, Hidden from the wise and prudent, God's objective, Why we are fearful, Who is more important you or God, Curiosity, God is emotional, In the beginning, How old is the Earth, Just like children, Water is very significant, Seas are very different, The Great Deeps.

The speaker would like you to know that all of these messages are in the chronological progression that God revealed them, and even though many may stand alone, they progress through several subjects that build on the previous lessons. This series of messages titled "Our Timeless Creator" (OTC), shift the focus from salvation and service, to understanding God. How He who needs

nothing, benefits from creating the human race. It started in 2007 when God brought the speaker to Psalm 50:15 three times following the miraculous healing of his dying wife. It reads, "***And call upon me in the day of trouble: I will deliver thee, and thou shalt glorify me***". Following this he prayed fervently. "LORD, show me how to glorify you and I will do the best I can". The speaker had become a new creature, (2 Corinthians 5:17) on May 20 1973. At that moment the reality of GOD's existence and the direct connection to the Bible became miraculously clear. Overwhelmed with excitement he began telling everyone who had a few moments to listen, what he had found, like a man who had found a cure for a terminal illness, which everyone had. His excitement and enthusiasm continued for well over a year, even when many said, "you'll get over it." Slowly his efforts began to focus on responsibility and all the how-tos of service. As the excitement faded it was replaced with frustration. He had said many times "the most frustrating thing in life is, knowing what GOD could do and watch him not do it". In 2005 GOD began a work as described in Job 5:17-18, that changed everything. He says," it was much like when I first became a child of God all over again". He describes it like application of (2 Corinthians 3:18), "But we all, with open face beholding as in a glass the glory of the Lord, are changed into the same image from glory to glory, ***even*** as by the Spirit of the Lord". Truly a life changing experience as God increases and we automatically decrease.
