Sermon: "Antichrists Betray Their Own." Pt. 3- What's Wrong With You People? Pt. 28

I Text:

Old Covenant: *Judges 9:34-49*

New Covenant: *Matthew 2:1-18*

II Doctrine:

The servants of Antichrist are ruthless with one another. Zebal helps set up Gaal for destruction at the hands of Abimelech. Zebal is not rewarded for his fealty as we will see later on in the narrative!

Gaal betrays Abimelech, and Zebul betrays Gaal in a circle of treachery. Abimelech will heed Zebul's warning and surround Schechem with his army. Rebellious movements against God and his law always end in death and destruction!

III Comparing Scripture With Scripture:

1) The servants of Antichrist are ruthless with one another. Zebal helps set up Gaal for destruction at the hands of Abimelech. Zebal is not rewarded for his fealty as we will see later on in the narrative! (*Judges 9:34-49*)

2) Zebal found out the hard way to never trust Antichrist. Even though the city cast out Gaal and his men, Abimelech turns and destroys Shechem anyway. This is reminiscent of communists who kill the traitors first who helped them infiltrate a Nation! (*Judges 9:42-45*)

3) God's prophetic judgment is unleashed upon Schechem and they sow the fruits of a deal with antichrist. Antichrist types may never be trusted, King Herod is a new Testament example of this type. Our faith must always be placed in King Jesus and his servants. (*Judges 9:46-49; Matthew 2:1-18*)
