Questions

1 – (03:50) – Are there verses in the Bible that tell us that there will be no sin in Heaven? I have been told all my life there will be no sinning in Heaven because the devil will be cast into the Lake of Fire and will not be around. But, before the devil sinned and was cast out of Heaven, there was not another Evil one....please comment on that.

2 – (07:40) – Concerning the Creator and the Creation – would the Creator create something to out-create the Creator?

3 – (11:11) – Exodus 9 (in verse 3 and 6) when the Lord says He will kill the Egyptian livestock (but not the Hebrews livestock) – then going down to verse 18, they are told to bring in the livestock inside or they will be killed. Can you comment on this?

4 – (15:11) – Concerning unequally yoked marriages – can you comment on sanctifying the unbelieving spouse?

5 – (19:36) – I am a new aged generation of believers and we have science. And it gets real detailed on how big God is and how small and detailed. And it leaves nothing up to chance when it comes to our bodies, the Earth or the Universe. Why does He leave so much up to question with the devil, the garden, will Adam sin or not and everything's going to go wrong on this piece of dirt that has my breath messes up? Why did He let the devil in? Wasn't He setting the stage? I'm just wrestling with that.

6 – (26:25) – Can you make a clarification on who controls the weather? Is it God or Satan?

7 – (36:40) – Please explain what Jesus meant in Luke 14:12-14 concerning inviting those to the banquet.

8 – (41:41) – With all the names of God in the Old Testament, all those titles and names, did the attributes of all those names and titles get embodied into the baby that was born of a virgin in Bethlehem? Also, the Samaritan woman situation in John 4, please comment on that.

9 – (47:30) – Does after the Rapture, does Satan still have access to God's presence to accuse the Saints?

10 – (52:08) – I believe there is a scripture that no sin is unforgivable except for blasphemy of the Holy Spirit. What does blasphemy of the Holy Spirit mean?

11 – (57:10) – When Christians get to Heaven, will they remember how and when they got saved?
