# Belgic Confession of Faith

## Article XXXIV Holy Baptism

We believe and confess that Jesus Christ, who is the end of the law, has made an end, by the shedding of His blood, of all other sheddings of blood which men could or would make as a propitiation or satisfaction for sin; and that He, having abolished circumcision, which was done with blood, has instituted the sacrament of baptism instead thereof; by which we are received into the Church of God, and separated from all other people and strange religions, that we may wholly belong to Him whose mark and ensign we bear; and which serves as a testimony to us that He will forever be our gracious God and Father.

Therefore He has commanded all those who are His to be baptized with pure water, *into the name of the Father and of the Son and of the Holy Spirit*, thereby signifying to us, that as water washes away the filth of the body when poured upon it, and is seen on the body of the baptized when sprinkled upon him, so does the blood of Christ by the power of the Holy Spirit internally sprinkle the soul, cleanse it from its sins, and regenerate us from children of wrath unto children of God. Not that this is effected by the external water, but by the sprinkling of the precious blood of the Son of God; who is our Red Sea, through which we must pass to escape the tyranny of Pharaoh, that is, the devil, and to enter into the spiritual land of Canaan.
