

I. Fearless Old Testament faith

II. How faith overcomes fear

III. Courage for our time of need

Application Questions

- What are times when people are big and God is small?
- Are there things in your past that make you especially susceptible to fear? How do you need to reinterpret them in light of Christ's work for you?
- How are God's promises bigger than any harm people can do to us?
- Where is God calling you to start living by faith and not by fear?
