

Spiritual Warfare: Pervasive Prayer  
Ephesians 6:18

Communications and the Fog of Warfare

Prayer seeks orders from the General and strength to fight the battle.

In Spiritual Warfare we must: Stand with all Prayer and Petition

What is prayer?

What are the different kinds of prayer?

Prayer is not a weapon but the strength to use God's armor and sword.

What comes to us through prayer can come from no other source.

Prayer is depending on God and His strength, it is asking for God's help; for ourselves and for others.

**Pray at all Times**

Pray continually. (1 Thessalonians 5:17)

What is unceasing prayer?

This is essential to spiritual warfare.

What does prayer and spiritual warfare look like in actual practice?

**Pray in the Spirit**

Praying with the help of the Holy Spirit (Romans 8:26-27)

Be in a prayer stance, like a defensive tackle in football.

**Pray for others**

Spiritual warfare is a team sport.

**Keep on the alert**

Be watchful, ready to pray. (Colossians 4:2)

Application:

Brothers and sisters, we are at war. We are the children of light, battling the darkness, the forces of evil. Prayerful dependence on God is our strength, our power to use the armor and to overcome in the battle.
