

Message Title: Parents & Proving God's Will Pt-4

Theme: This message begins by discussing the differences between Mothers and Fathers and studies the similarities that scripture tells us about God. Following this it continues with a topic that is missing in churches, namely how to have proof that our service won't be like that of Cain's, when God rejected his offering of the very best of his labors.

The importance of getting proof of our labor before our works are judged cannot be over stated. The problem is that no one seems to know how to find that Biblical proof. Just ask anyone how to prove God's will and you will find that it's a great mystery. The reason may be that the earlier church leaders were afraid that it would challenge their authority so they kept quiet about it, but whatever the reason it is obvious that if everyone were doing what God wanted, it would eliminate disagreements and confusion, and the "Church" would function as a single unit as explained in 1st Corinthians 12.

As a result of this missing information every ministry has its own individual beliefs. The result is that of Judges 21:25b, "Every man did that which was right in his own eyes".

With this in mind it is easy to understand how the old saying of, "Divide and Conquer" has been used by Satan in these last days against the "Church" to promote tradition and the doctrines of men.

The speaker would like you to know that all of these messages are in the

chronological progression that God revealed them, and even though many may stand alone, they progress through several subjects that build on the previous lessons. This series of messages titled "Our Timeless Creator" (OTC), shift the focus from salvation and service, to understanding God. How He who needs nothing, benefits from creating the human race. It started in 2007 when God brought the speaker to Psalm 50:15 three times following the miraculous healing of his dying wife. It reads, ***“And call upon me in the day of trouble: I will deliver thee, and thou shalt glorify me”***. Following this he prayed fervently. "LORD, show me how to glorify you and I will do the best I can". The speaker had become a new creature, (2 Corinthians 5:17) on May 20 1973. At that moment the reality of GOD's existence and the direct connection to the Bible became miraculously clear. Overwhelmed with excitement he began telling everyone who had a few moments to listen, what he had found, like a man who had found a cure for a terminal illness, which everyone had. His excitement and enthusiasm continued for well over a year, even when many said, "you'll get over it." Slowly his efforts began to focus on responsibility and all the how-tos of service. As the excitement faded it was replaced with frustration. He had said many times "the most frustrating thing in life is, knowing what GOD could do and watch him not do it". In 2005 GOD began a work as described in Job 5:17-18, that changed everything. He says," it was much like when I first became a child of God all over again". He describes it like application of (2 Corinthians 3:18), "But we all, with open face beholding as in a glass the glory of the Lord, are changed into the same image from glory to glory, *even* as by the Spirit of the Lord". Truly a life changing experience as God increases and we automatically decrease. ,
