

# WE ARE HIS

Gospel principles for singleness, marriage, parenting, sex, and life together in the family of God

In this series, we will be studying gospel principles for building healthy relationships of every kind, at every stage of life. Our prayer for each person is that they would find their own hearts and interactions with others transformed by the Holy Spirit through the glory of the Lord Jesus Christ. However, we cannot address every specific situation in this brief series. Many relationships have endured such deep sin and misery that they may seem irreparably broken. The elders would invite such individuals, couples, and families to meet with us privately to share more about the pain you are experiencing. We would be honored to walk with you to seek the help, healing, guidance, and grace of the Lord. You do not have to bear these burdens alone.

If you desire to study these themes more, these books were key resources for this series:

- Paul David Tripp, *Parenting: 14 Gospel Principles that Can Radically Change Your Family*
- Paul David Tripp, *Marriage: 6 Gospel Commitments Every Couple Needs to Make*
- Jeff Vanderstelt, *Gospel Fluency: Speaking the Truths of Jesus into the Everyday Stuff of Life*
