### Next Steps: Chapters 12-13

1. Baxter tells us to meditate on words or promises from the Bible that specifically help us in our fears and struggles (99-100). What is a specific area you need to be strengthened? Make a point to find one great help from the Bible this week. Use your brothers and sisters for help if needed.
2. On page 100, Baxter writes: “*O that God would make us foreknow by a lively faith, what it is to behold Him in his glory, and to dwell in perfect love and joy, and then death would no more be able to dismay us, nor should we be unwilling of such a blessed change!*” Take this thought to your prayers and meditations. Seek to engage with the hope Baxter is describing.
3. How does Luther counsel us to only consider sin and death in light of grace (107)? How would this apply to you specifically?
