### ***Isaiah 2***

#### **PASTOR'S PRAYER**

Almighty God, You alone are our God of splendor, majesty and terror. Your throne alone will be established forever, lifted up above all others and will be the final judge of all peoples and nations. On that day you alone will be exalted, O Lord. We confess our, Lord, our hearts are so quick to trust in our opinions, our wealth, our power, our idols. Our lives are filled with these things and we are quick to make them our end and joy and hope. Lord, grant your Spirit to come this morning that we may with hearts of faith and repentance cast away our idols and reliances. Help us stop regarding man in whose nostrils is breath and come this morning to walk in the light of our Lord Jesus Christ and His kingdom come. We ask these things in the name and authority of our exalted Savior and Lord, Jesus Christ. Amen & Amen.
