Introduction: "Ah, Sinful Nation!"

Sin & The Love of God

Isaiah 5

PASTOR'S PRAYER

Almighty God, Lord of hosts, righteous, just, loving protector, provider and caregiver, you have so carefully love us and watch over us. Thank you. Lord, we confess our indifference to your love and even our outright denial of your precious love for us. We often grab up all your blessings and gives and use them for our own ambitions, aims and ends. We are quick to become greedy, indulgent, arrogant and hostile to your glorious plans, aims and ends for our lives. Restore us, O Righteous LORD God of hosts! Let your face to shine upon us that we might be saved from our own aim to be glorified and turn instead to glory in your loving name. Amen & Amen.
