Giving and Thanksgiving

2 Corinthians 9

The Principle: The harvest is in proportion to the planting.

1. The harvest is cheerfulness
2. The harvest is good works
3. The harvest is righteousness
4. The harvest is increased seed
5. The harvest is thanksgiving
6. The harvest is glory to God
7. The harvest is affection and prayer

Summary: All our thanksgiving and generosity flow from the gift of Jesus Christ the Savior.

*If my people who are called by my name humble themselves, and pray and seek my face and turn from their wicked ways, then I will hear from heaven and will forgive their sin and heal their land.*
