

Before I Pray: Understanding the Comprehensive Gospel
Ephesians 3:6-7

GOAL: Understanding Unity and Equality Through the Gospel

- I. _____ (v.6)
- II. _____ (v.6)
- III. _____ (v.6)
- IV. _____ (vv.6-7)

Be on Guard Against:

- (1) Slight deviations where Christ is subordinate to or in partnership with earthly reconciliatory solutions
- (2) A grumbling attitude due to your personal fixation on earthly inequalities
- (3) The undercurrent or hints from a sinful world, now in the church, comparing earthly equality with salvation's blessings
- (4) An insufficient understanding of the gospel's impact on every aspect of your life in Christ

Now meditate on these:

Meditation:

- (1) To receive the same blessings in Christ, is to receive the same goal. Believers are united together in worship and fellowship for the glory of God the Father
- (2) When you declare the good news, you are affirming the full inclusion into the family of God all who trust in Christ by faith
- (3) To value the insights you receive through the gospel, is to value every believer with the equality of fellowship God gives to them
- (4) It is through the gospel that you grow to understand, acknowledge, and appreciate the finished work of Christ, as the place where through the cross of Christ, God levels the ground of reconciliation
