

Heritage Of Victory! Restoring Godly Boundaries. Part 2

**I Text:**

Old Covenant: *Isaiah 61*

New Covenant: *Revelation 22:10-19*

**II Doctrine:** Jesus Christ would establish boundaries between the Kingdom of God and the kingdom of man (humanism). On every level of our lives the Bible instructs us to create borders to safeguard our heart, family, church and the rest of our covenant community. We are not allowed to give safe quarters to the enemy. Christ's commands and not our emotions govern our lives.

**III Comparing Scripture With Scripture:**

1) After the resurrection of our Lord, all the world was given to us to conquer in His name. Every ethnic group under heaven would be taught to obey our Lord's commands. All institutions including marriage, family, church, school, and state, would be reconstructed according to the word of God. (*Isaiah 61; Bluetooth?*)

2) Jesus Christ would establish boundaries between the Kingdom of God and the kingdom of man (humanism). On every level of our lives the Bible instructs us to create borders to safeguard our heart, family, church and the rest of our covenant community. (*Romans 1:26-32; Revelation 22 10-19*)

3) We are not allowed to give safe quarters to the enemy. Christ's commands and not our emotions govern our lives. (*2 John 1:1-11*)

Christianity **spread**, and in the 4th century **prospered**, when Constantine became the first Christian Emperor.
