

Message Title: Knowing God as We Ought To

Theme: A major dilemma for today's believers is the diversity of beliefs in denominations, bible versions, pastors, teachers and even those who attend the same churches. No matter where a person may turn for reliable answers they will find differences of opinions. Confusion is minimized only when we choose to trust a single source. The problem is who is right. That brings us back to trusting ourselves to decide. The problem then is how can we know that we are right.

This message touches on a variety of issues but the main focus is 1 Cor. 8:2 "And if any man think that he knoweth any thing, he knoweth nothing yet as he ought to know. "

Salient Points: What do you do to glorify God, Bringing God credit, Adams curse, Our unlimited opportunity to glorify God, Understanding from God, A most shocking statement, Sealed from sin, Sin all around us, Existing for Him, The response of our soul, If we could stop sinning, An absence of pride, Appreciating God's provisions, Honesty with God, Existing in God, Knowing the wrong way, The preserved bible, Supernatural book, Missing the Word, The subject of the bible, Loosing the defense response, How to love God more.

The speaker would like you to know that all of these messages are in the chronological progression that God revealed them, and even though many may

stand alone, they progress through several subjects that build on the previous lessons.

This series of messages titled "Our Timeless Creator" (OTC), shift the focus from salvation and service, to understanding God. How He who needs nothing, benefits from creating the human race.

It started in 2007 as God began answering a fervent prayer in connection with Psalm 50:15. "LORD, show me how to glorify you".

The speaker became a new creature, (2 Corinthians 5:17) on May 20 1973. At that moment the reality of GOD's existence and the direct connection to the Bible became miraculously clear. Overwhelmed with excitement he began telling everyone who had a few moments to listen, what he had found, like a man who had found a cure for a terminal illness that everyone had. His excitement and enthusiasm lasted for well over a year, even when some said, "you'll get over it." Slowly his efforts began to focus on responsibility and all of the how-tos of service. As the excitement faded it was replaced with frustration. He had said many times "the most frustrating thing in life is, knowing what GOD could do and watch him not do it". In 2005 GOD began a work as described in Job 5:17-18, that changed everything. He says," it was much like when I first became a child of God all over again".
