- 1) *Satan – His Defeat*

QUESTIONS & COMMENTS

As we closed our last lesson we were considering the Christians power and authority to command Satan and his forces. The Christian is guaranteed final victory over sin and Satan if he uses the power at his disposal. As we saw last time, we do not fight the battle alone. God stands ready and willing to come to our aid. We are to resist Satan to the best of our ability and depend on God to do the rest. Yet there is something that the Christian must do. There is a prescribed way to resist or do your part.
