

**Clean Power**  
**Colossians 3:5-7**  
**Pastor Conley**

Review:

“We need more than a form a godliness, we need it’s power.” Pastor Conley began our study of this passage with these words. Because of the work that Christ has done in us (vs. 1) we can put to death sin in our lives. One clear motivation is the wrath of God that is going to be poured on these sins. It is a great joy for those of us who know Christ to see His work of rescuing us from this wrath. As some have put it, “we are saved by God, from God.” Praise His name.

Outline Review:

- I. Holy Violence – vs 5
- II. Holy Wrath – vs 6
- III. Holy Rescue – vs 7

Application:

- 1. What does the word “therefore” in vs 5 point us back to?
- 2. How can we “put to death” sin in our lives? Will this be easy? How will this make you feel?
- 3. What are some channels through which temptation can enter my life? How might you need to change routines, habits, friends, entertainment in order to “kill sin?” Are you willing to do this?
- 4. What is the wrath of God? How does this motivate us to live holy lives? What makes it clear that we don’t believe in the wrath of God?
- 5. Do you understand that no matter how “clean” a life you’ve lived, that vs 7 applies to you? Are you still walking in these sins?
