

## GRACE IS ALL YOU NEED!

God is a God of \_\_\_\_\_.

Grace is God's \_\_\_\_\_ to woman's \_\_\_\_\_.

What are woman's needs?

God's grace cannot be \_\_\_\_\_, \_\_\_\_\_, or won.

God's divine grace is:

1. 2 Tim. 1:9
2. Ro. 3:24
3. Ex. 33:19, He. 4:16

It's through Christ that grace was \_\_\_\_\_ revealed and \_\_\_\_\_ exemplified. Its \_\_\_\_\_ and \_\_\_\_\_ else that justifies us. It's \_\_\_\_\_ at \_\_\_\_\_ to you!

Gal. 2:15-3:5 states:

15 & 16- all or nothing grace

17- Don't have anything to do with a law/grace marriage – just Jesus!

18-Paul says NO to being saved by grace but living by the law

19-it's my faith that pleases God

20-we aren't just forgiven; we died to sin; we live by faith in Christ

21- Don't nullify God's grace

3:1- teach Jesus plus nothing!

3:2- trust in Jesus, not your performances

3:3-5- you're saved by grace-grow in grace!

The \_\_\_\_\_ for God's grace is Jesus and His death on the cross:

1. God manifested grace  
Tit. 2:11      Ep. 1:3-7      Ro. 5:15      Ro. 5:17      2 Cor. 8:9
2. God manifested in salvation  
Ro. 3:24      Ro. 5:20      Ep. 2:8-9
3. State of grace  
Ro. 6:14      Ro. 5:2
4. Grace is God's operating principle for His children  
Gal. 5:4
5. God provides grace for daily needs of His children  
He. 4:15      Ph. 4:19
6. Grace cannot be compromised  
Ro. 4:13-16

What were you before becoming an heir of Christ?

What about the book of James? (2:21-22, 25)

It's God's grace that brings me into His \_\_\_\_\_. These are now my family traits:

\*1 Cor. 1:2

\*Ep. 2:10

\* Ro. 5:17

\*Ep. 1:6

Grace-filled living occurs when our \_\_\_\_\_ theology (what we profess to believe about God) and our \_\_\_\_\_ theology (how we actually live and think) are one and the same.

### **Application:**

1. Read Ro. 8:15, Gal. 4:4-6. Based on these verses, what is the nature of your relationship with God? How does God view you? Would you say that you live life as a hungry, cold orphan or a wealthy child of the King? Why?
2. Read 1 Cor. 6:9-11. Verse 11 says we were sanctified and justified (grace). How does this truth speak practically to your heart when you're anxious, depressed, bitter, or full of shame?
