

“The ABC’s Of Wisdom”

The First Fatherly Discourse Is For Children! Proverbs 1:8-33 (527); Psalm 34:11-22 (464)

The Proverbs are for everybody. That’s because everybody – even kids – are Adam’s descendants and effected by his first sin. This means we drag our “old self” (see Rom. 6:6; Eph. 4:22; Col. 3:9) around; and our hearts are somehow bent towards doing what is wrong. Children, we make our hearts known by our actions (see Prov. 20:11). So curl up beside your mom and dad (v 8) and listen carefully as the voice of wisdom (v 20) dresses you in beautiful “garlands” and handsome “pendants”!

I. _____ where wisdom comes from (v 8-9)

II. _____ of the enticement of sinners (v 10-19)

III. _____ the fear of the Lord (v 29) and heed wisdom (v 20-33)
