

REVELATION 62 –  
UNREPENTANT  
HEART OF STONE

*Dr. Leon L. Sanders*  
*Revelation 9:20-21*

# GOD – COME, LET US REASON TOGETHER: MAN – DOUBLES-DOWN ON WORKS-PHILOSOPHY

- During this Second Age {Dispensations Four – Six} God allows Man to build his *Utopia* without Christ and suffer its consequences (Is 1:18; Ro 1:18-28)
- History chronicles God *reasoning* with Man: First via His People while preparing for Messiah then via His Logos {Living and Written} post stauros {Our Time} (He 1:1-2)
- As Christ's appearing approaches, He reduces *restraining* aspect of His Spirit allowing Satan-Sinners to *build* their *Utopia*; except, it is not Paradise (2Th 2:3-12; 2Ti 3:1-5; 4:3-4)
- Great Tribulation Seals and Trumpets contrasts hardness of sinners with mercy of Christ warning of approaching accountability; their results belie their rhetoric
- As *Utopia* worsens, deaths, diseases and poverty; sinners embrace their sin tighter

## CONFRONTED WITH SIN'S CONSEQUENCES: EMBRACES SIN EVER MORE TIGHTLY

- Sinners, when confronted with Truth, double-down on sin rejecting repentance
- God via Ezekiel calls this *heart of stone*, true of all sinners (Ez 11:16-21)
- Greater the failure of their sin to produce *Utopia*, the greater their stubbornness
- After Two Woes suffering the *tender mercies* of demons they truly worship, the World more adamantly clings to and increases their antichrist beliefs and behaviors
- Death by their own hands on a massive scale has been justified as righteous just as when they persecuted hated Christ believers: their *Love* mantra spreads hatred
- They double-down the rightness of their *peaceful, unifying, earth saving* beliefs {Hegelian-Dialectic-Gnostic-Hermetic-Socialism} while killing *useless-eaters*

# DOUBLE-DOWN ON THEIR BELIEFS SHOWN BY THEIR WORKS; NOT THEIR LIP

## LOST' BELIEF

- All beliefs except Christ worship  
Demons {LNC; LEM} (De 32:17; 1Co 10:20-21)
- Blinded by lies they promise a better  
future...{Serenity} (Da 5:22-23; Jn 3:19-20; 2Co 4:4)
- Build modern lifeless representations  
{Idols} focusing on covetousness (Col 3:5)
- Culminates in antichrist AI robot idol –  
Posthumanism's promise: No Death

## LOST' ACTION

- Their lives mirror their idols AEB: Dead  
words=deads Works (Ps 115:4-8; Ro 6:23; Ja 2:14, 18-19)
- Their sinful hearts are source of violence  
and lies, not Jesus (Mt 15:18-20)
- They claim their logical fallacies reveal  
truth; but they reject Truth (Ro 3:5-8)
- They use Kafkatrapping and Reflexivity  
to condemn Truth (Job 40:7-8; Is 5:20-21)

# SIN'S SELF-DESTRUCTION: TEN WORDS VIOLATED

- Surviving sinners double-down in this Continuum of Self-Destruction (Ga 5:19-21)
- Murders: Begins from lack-of-self-control which becomes anger growing ever more violent until ending in murder; *justifiable* in one's own eyes (Ju 21:25; Mt 5:21-26)
- Sorceries: Greek word φάρμακον, pharmakon denoting substance abuse which *opens* one to demonic influence further decreasing self-control {Soma} (Is 5:21-22)
- Immorality: {πορνεία, porneia} Misuse of one's body inflames passions, increases guilt driving one toward psychopathy; early sign – crude speech (Ro 1:21-28; Ep 5:3-6; 1Ti 4:1-2)
- Thefts: Stealing moves from minor to major searing the mind and justifying self-destructive behaviors; as in Ten Words, basis of all sin: Empirical and non-empirical (Ja 3:13-16; 4:1-4)

## TWO WOES: HARDENED THE HEARTS

- Christ increases severity of sin's consequences warning sinners of impending accountability {**Mercy**}; it is met with increasingly hardened hearts: **Stone Hearts**
- Their unrepentance increases their self-destructive behaviors which further hardens their hearts against the Gospel; rejects repentance (Ps 7:12-16; Ro 2:1-11; 2Co 7:10)
- Their *logic* mirrors sin's illogic blinding them to Truth as they embrace increasingly self-destructive sin(s) while condemning those who walk in Christ (Ja 3:14-16; 1Jo 2:18-19)
- One of Bible's clearest indicators of state of one's heart is whether one **repents** when confronted with Scripture; rejecting Truth to continue in sin reveals a *Heart of Stone*! By this you can know the condition of your heart?
