Psalm 50:1–6 (1<sup>st</sup> version) Tune: Franconia, #163

**It is indeed a great piece of self-denial to be silent  
when we have enough to say,  
and provocation to say it;  
but if we do thus control our tongues,  
out of a pure regard for peace and love,  
it will turn to a good account  
and will be an evidence for us  
that we are Christ's disciples,  
having learned to deny ourselves.**

Matthew Henry, 17th century Puritan

## OUR CHURCH

We are a congregation of the Free Church of Scotland (Continuing), which has a presbytery in North America. The Free Church traces its historical roots back to the Protestant Reformation in Scotland, which began in 1560. The same biblical truths and spiritual identity have been maintained to the present day. Our doctrinal standards are the original 17th century version of the *Westminster Confession of Faith* and *Larger and Shorter Catechisms*. Further detailed information about our doctrine, worship, government, and practice are available on the book table and in the church library.
