

He takes away the sin

John 1:29-34

The message of the whole Bible is loaded into our text (*John 1:29-34*). These verses record one of the most dramatic moments in the history of redemption. It announces the only way to be free of the guilt of sin. It declares the global need for Jesus as the Lamb of God, for a sinful world.

My whole objective in this message is to help us look very intently at one aspect of Jesus as, "the lamb of God." There are literally hundreds of ways to look at Him, but today, I want to have a tightly focused look at Jesus as the "*Lamb of God who takes away the sin of the world.*"

I. Jesus is the Lamb of God, v29

II. Jesus is preferred, v30

III. Jesus is anointed, v31-33

IV. Jesus is the son of God, v34
