

Message Title: Fearfully & Wonderfully Made Pt-2

Theme: This continues the introduction into audio communication and why it is a suitable subject in discussing our Creator's genius. David wrote about this in Psalm chapter 111: 1-2. Praise ye the LORD. I will praise the LORD with my whole heart, in the assembly of the upright, and in the congregation. The works of the LORD are great, sought out of all them that have pleasure therein.

Here David made it clear that praise includes the genius of God's wonderful works and that it is about seeking God, as in Hebrews 11:6, But without faith it is impossible to please him: for he that cometh to God must believe that he is, and that he is a rewarder of them that diligently Seek him.

Unfortunately today's modern church has left this to the unbelieving scientific community which teaches the incredibly complex design of our audio communication system as just another function of "Mother Nature". This is like giving Santa Clause the credit for the Christmas presents; accept this is believed by adults.

The speaker would like you to know that all of these messages are in the chronological progression that God revealed them, and even though many may stand alone, they progress through several subjects that build on the previous lessons. This series of messages titled "Our Timeless Creator" (OTC), shift the focus from salvation and service, to understanding God. How He who needs nothing, benefits from creating the human race. It started in 2007 when God

brought the speaker to Psalm 50:15 three times following the miraculous healing of his dying wife. It reads, ***“And call upon me in the day of trouble: I will deliver thee, and thou shalt glorify me”***. Following this he prayed fervently. "LORD, show me how to glorify you and I will do the best I can". The speaker had become a new creature, (2 Corinthians 5:17) on May 20 1973. At that moment the reality of GOD's existence and the direct connection to the Bible became miraculously clear. Overwhelmed with excitement he began telling everyone who had a few moments to listen, what he had found, like a man who had found a cure for a terminal illness, which everyone had. His excitement and enthusiasm continued for well over a year, even when many said, "you'll get over it." Slowly his efforts began to focus on responsibility and all the how-tos of service. As the excitement faded it was replaced with frustration. He had said many times "the most frustrating thing in life is to know what GOD could do and watch him not do it". In 2005 GOD began a work as described in Job 5:17-18, that changed everything. He says," it was much like when I first became a child of God all over again". He describes it like application of (2 Corinthians 3:18), "But we all, with open face beholding as in a glass the glory of the Lord, are changed into the same image from glory to glory, ***even*** as by the Spirit of the Lord". Truly it has been a life changing experience as God increases and we, without trying, decrease.
