

## SUNDAY MORNING

YOUR SAVIOUR CARES – BUT MAYBE NOT THE WAY YOU THINK

12/12/2021

34<sup>th</sup> message in the series: **Shepherding Scattered Sheep**

Text: 1 Peter 5:7 & James 5:1-11

Theme: Learning to endure when it seems like God doesn't care.

---

At times biblical characters didn't think the Lord cared: Elijah, David, the disciples, Martha. **They misunderstood God's inactivity**

Key passage: James 5:1, 5, 7-11; Heb 6:15

**James wrote about 15-20 yrs before Peter and when Peter wrote they were still suffering**

To remain behind after others have left/quit

---

**Heb 6:15** And so, after he (Abraham) had **patiently endured**, he obtained the promise.

---

**So, the question might be, "What does God care about?"**

While we think He doesn't care it just may be that He cares about something we were overlooking.

**So the other question might be, "What do you care more about?"**
