

Message Title: Considering God's Schedule Pt-11

Theme: This message gets right into Jesus setting up His Kingdom on Earth and His remodeling it into a glorious global garden.

The Scriptures are filled with hints left by God that are designed to stir curiosity about our Creator. One such is telling us that He has a name that no man knew but He Himself. What possible reason would there be to mention that, other than to stir curiosity in us? John said that the Earth could not contain the books that could have been written about the things that He did but didn't tell us about. He also told us that He came down to see if there were any that sought after Him and found none. The problem for us is, we are living in the last days and just as He spoke of the Laodicean church we believe we have all the answers so the only things we seek from God are His blessings, help protection, healing, provision and relief. There is no real concern to know Him better, understand His feelings, or to delve into His awesome genius. We are just like children that are focused on what we can get from our parents but never stop to consider why they should do anything for us or what it cost them to provide it for us.

I have asked several believers, why should God answer our prayers? The answer is either, because He loves us, or because of all we've done for Him.

,We automatically feel God owes us just like children do and we feel confused when we don't get what we pray for. Praying to understand Him better for HIS benefit is where to find the answer to that, and many more questions.

Salient Points: Stirring curiosity, Curiosity spoilers, Becoming curious, The armies in Heaven, We know already, Satan's freedom, Satan's attack on Heaven, Satan attacked on Earth, The attack on nations, Jesus takes out the remnant, Our distracting flesh, Do the Saints fight also, Can anyone defeat God, Bent on self destruction, Illogical believers, Does the Bride of Jesus fight, Learning that leads to action, Satan in exile, Remodeling Earth, Created complete, Wine or new wine, The Garden of the Lord, Gladness Joy Thanksgiving and the Voice of Melody, Love produces action, Compelled by Joy.

Special Note: The last three minutes of this message had severe technical issues and it still has minor pops and clicks but it is easily understandable.

The speaker would like you to know that all of these messages are in the chronological progression that God revealed them, and even though many may stand alone, they progress through several subjects that build on the previous lessons. This series of messages titled "Our Timeless Creator" (OTC), shift the focus from salvation and service, to understanding God. How He who needs nothing, benefits from creating the human race. It started in 2007 when God brought the speaker to Psalm 50:15 three times following the miraculous healing of his dying wife. It reads, ***“And call upon me in the day of trouble: I will deliver thee, and thou shalt glorify me”***. Following this he prayed fervently. "LORD, show me how to glorify you and I will do the best I can". The speaker had become a new creature, (2 Corinthians 5:17) on May 20 1973. At that moment the reality of GOD's existence and the direct connection to the Bible became miraculously clear. Overwhelmed with excitement he began telling everyone who had a few moments to listen, what he had found, like a man who had found a cure for a terminal illness, which everyone had. His excitement and enthusiasm continued for well over a year, even when many said, "you'll get over it." Slowly his efforts began to focus on responsibility and all the how-tos of service. As the excitement faded it was replaced with frustration. He had said many times "the most frustrating thing in life is, knowing what GOD could do and watch him not do it". In 2005 GOD began a work as described in Job 5:17-18, that changed everything. He says, "it was much like when I first became a child of God all over again". He describes it like application of (2 Corinthians 3:18), "But we all, with open face beholding as in a glass the glory of the Lord, are changed into the same image from glory to glory, ***even*** as by the Spirit of the Lord". Truly a life changing experience as God increases and we automatically decrease.
