The Wise & Foolish Builders
Matthew 7:24-27

PASTOR'S PRAYER

Father God, you are our LORD God, our sure and firm foundation, Rock of Ages. Convince and convict us of our apathy and carelessness in hearing your Word. Reveal to us our attempts to save ourselves, our own attempts to make things better, our self righteousness, our firm assumptions that we know what we need and want. Lord, show us the instability, the faultline, in these fake places of refuge and turn our hearts this morning to find our only, firm and secure and sufficient foundation in Jesus Christ our Lord and Savior, our sure foundation and precious cornerstone. Cause us to be careful to hear your words this morning and to be careful, diligent and quick to do them from a heart of joyous obedience. May we build our lives upon Christ and in so doing stand firm in the days of storm ahead. Amen & Amen.
