

“Secrets of Spiritual Warfare”

2 Corinthians 10:1-6

At the mention of spiritual warfare we think of demons and exorcism and occultic practices. We think of the spiritual underworld that is manifest in the darkest corners of the earth.

However, the interpretive key to this passage is in knowing the spiritual warfare described in our text was the conflict and crises of those in the church who were challenging Paul’s apostleship. Although the conflict appears to be physical, Paul identifies it as spiritual.

I. In spiritual warfare we must be _____ (1)

II. In spiritual warfare we must be _____ (2)

IV. In spiritual warfare we must be _____ (4-5)

V. In spiritual warfare we must be _____ (6)
