

## Genesis—Series Overview

### *Embarrassing Ancestors and Our Glorious Hope*

The book of Genesis is all about God making an extravagantly gorgeous Creation to declare His glory and the horrifying result of our ancestors' rebellion against His kingly rule. It was written to remind us of our good God's promise to undo all the terror that our treason has wrought. It shows us our ancestors' faltering walk of faith and His faithful care for them, all the while paving the way for the coming King who would deliver us from ourselves and all who oppose our good God. The New Heavens and Earth will perfectly declare His praise.

#### APPLYING GOD'S WORD

*Please ask the Holy Spirit to guide you:*

**Repent!** As we better understand the origin of our race's rebellion against God, we are better able to own our own guilt and turn from continuing in active treason. So this week consider what are specific ways you deny God's truth. Turn from that to obedience and trust in Him.

**Delight in His Grace!** The lie is always a libel of God. We question His goodness, but He shows us over and over again that He is good and trust-worthy. So believe that He is good and rejoice! Celebrate His mercy! Dance in light of His mercy! Sing and praise His name!

## Ezra-Nehemiah—Series Overview

### *A Community Restored for Worship*

The book of Ezra-Nehemiah was written to encourage God's people returning after exile to believe the covenant promises and restore the temple in Jerusalem. God's people were being restored in the place of promise as a worshipping community. The restoration of purpose was far greater than their real estate. The place always has to do with what God promised would happen there.

Morning Service:

Genesis 3: 1 – 24

### **The Gospel According to Adam and Eve**

1. Eve & Adam's Introduction to the Gospel Is by Being Caught.
2. Eve & Adam's Hope Is Connected to Their Children.
3. How Do We Share Eve & Adam's Hope?

Eve and Adam received wonderful news even in the midst of great rebuke. It was the kind of good news that can change everything, that *does* change everything. They could look forward to not just being restored to the garden, but an even better temple-garden with God forever. From their seed came the deliverer who conquered death itself and will restore all Creation to its purpose as the receptacle of God's eternal praise.

Evening Service:

Nehemiah 9: 1 – 38

### **Collective Confession of God's People**

1. We Have Nothing to Offer But Fithly Rags (1-4).
2. We Approach God Based on His Covenant Faithfulness (5-37).
3. Confession Affects the Whole Community (38).

As the gospel is properly understood according to God's Word it leads us to admit what we have done wrong and turn from our disobedience to God's loving care. Inherent in all sin is a traitorous idolatry that seeks security from other sources apart from God. Revival brings us to recognize that our only hope is found in God Himself. We see this most clearly in Christ's sacrifice and there find freedom to confess our sins together.

## Taking Gathered Worship Home

How did our first parents understand the gospel of Jesus Christ? While they didn't know it by that name, we clearly see them demonstrating faith in God's promise to deliver them from the dying death they had gotten themselves into by rebelling against God. How can we learn from them more about Jesus? Let's explore that this week!

*Please use the devotional material below each day this week to meet with Jesus. Ask Christ to teach us His ways that we may walk in them to accomplish His purposes.*
