## QUOTE

*"Wicked men seem to bear great reverence to the saints departed; they canonize dead saints, but persecute living. In vain do men stand up at the creed, and tell the world they believe in God, when they abominate one of the articles of the creed, namely, the communion of saints. Surely, there is no greater sign of a man ripe for Hell, than this, not only to lack grace, but to hate it."*

*By: Thomas Watson (17th century English Puritan)*

Offerings are collected on the literature table.

## OUR CHURCH

We are a congregation of the Free Church of Scotland (Continuing), which has a presbytery in North America. The Free Church traces its historical roots back to the Protestant Reformation in Scotland, which began in 1560. The same biblical truths and spiritual identity have been maintained to the present day. Our doctrinal standards are the original 17th century version of the *Westminster Confession of Faith*, the *Westminster Larger Catechism* and the *Westminster Shorter Catechism*. Further detailed information about our doctrine, worship, government, and practice is available on the book table and in the Church library.
