

## **Doxological Confidence**

**Ephesians 3:20-21**

**January 17, 2016**

God's power can do anything that His character delights in.

God's people can do anything as they delight in the character of God. (John 14:12-14)

We often confess that God is almighty, but rarely believe it.

As we follow God, seeking to glorify him, trusting in the power of God, walking in the way with God, nothing is impossible, nothing!

### **The limitless power of God for the Church**

Let's try to measure what Paul is saying here.

Paul asked for great things but God can do more even than Paul asked.

We have the limitless power of God available to us as we do church together.

How do we tap into this power? Where do we find it?

We already have the power to do great things for God.

Do you expect great things for the future of the church?

An 1870 'heresy.'

Why did God give this power to the church? (Ephesians 3:10)

### **The narrow-minded focus of the Church**

To him be glory in the church

- 1) We glorify God in Christ.
- 2) We glorify God, now and forever.

Have we burned our ships?

### **Amen**

Amen means: This is true, or let it be, or may it be so, I agree with all my heart. I approve, I support this.
