SEE the privileges of believers.
They have both a spiritual
and a civil right to

what they possess.

They who can say, 'Our Father,'
can say, 'our bread.'

Wicked men that have a
legal right to what they possess,
but not a covenant-right;
they have it by providence,
not by promise;
with God's leave,
not with God's love.

Thomas Watson (17th century English Puritan)

Offerings are collected on the literature table.

OUR CHURCH

We are a congregation of the Free Church of Scotland (Continuing), which has a presbytery in North America. The Free Church traces its historical roots back to the Protestant Reformation in Scotland, which began in 1560. The same biblical truths and spiritual identity have been maintained to the present day. Our doctrinal standards are the original 17th century version of the *Westminster Confession of Faith* and *Larger and Shorter Catechisms*. Further detailed information about our doctrine, worship, government, and practice are available on the book table and in the church library.
