

## **WE NEED TO LISTEN TO AND OBEY THE VOICE OF GOD PART 2**

Exodus 23:29-31 says "I will not drive them out from before you in one year, lest the land become desolate and the beast of the field become too numerous for you. 30 "Little by little I will drive them out from before you, until you have increased, and you inherit the land. 31 "And I will set your bounds from the Red Sea to the sea, Philistia, and from the desert to the River. For I will deliver the inhabitants of the land into your hand, and you shall drive them out before you. I believe these verses have a second application for us today in that it speaks of how God works in our life in using us in ministry and His will for our life. He doesn't tell us all He wants us to do at one time, but asks us to do things one at time until we get to the ultimate goal of His will for our life. God doesn't show us all of His will at one time as one guy said I wished He did and gives us steps one-10, but I believe this would probably scare most of us to death, but keeps giving us tasks and as we step out and do them He gives us another. If you don't do step one you can't ever see His will for step two and so on. We have to obediently step out as God shows us His will and we will end up where He wants us. Is this your desire?
