Further Considerations

Titus 2:11-12

What does this passage tell us about the grace of God? What is “grace”? How does saving grace impact our whole life? How should understanding the “grace of God” encourage us to reach others? To what does God’s grace teach us to say, “No”? To what are we to say, “Yes”? Read Galatians 5:16-25.

Titus 2:13-14

Who is identified as appearing gloriously? How does verse 13 emphasize the deity of Christ? What should be our response to the expectation of Christ’s return? Read 1 John 3:1-2. What is the practical application of anticipating the Lord’s return? What does v. 14 tell us about Christ’s redeeming work? What is said about those who are redeemed? What are believers to do because of their redemption? How are we to do it? Are you confident of your relationship with Christ?

Titus 2:15

In what ways can we help others spiritually? Review the seven categories of practical maturity mentioned in Sunday’s sermon. In what areas do you personally see this growth? In what areas do you struggle? How can we exhort one another to develop spiritual maturity?
