A TENTATIVE MODEL FOR UNDERSTANDING OURSELVES

Soul
(not animals)

Knowing
(intellect, reason)

Desiring
(the will)

"heart"

Body
(not angels)

Senses
(including memory, imagination)

Appetites (wants) and
passions (feelings, emotions)
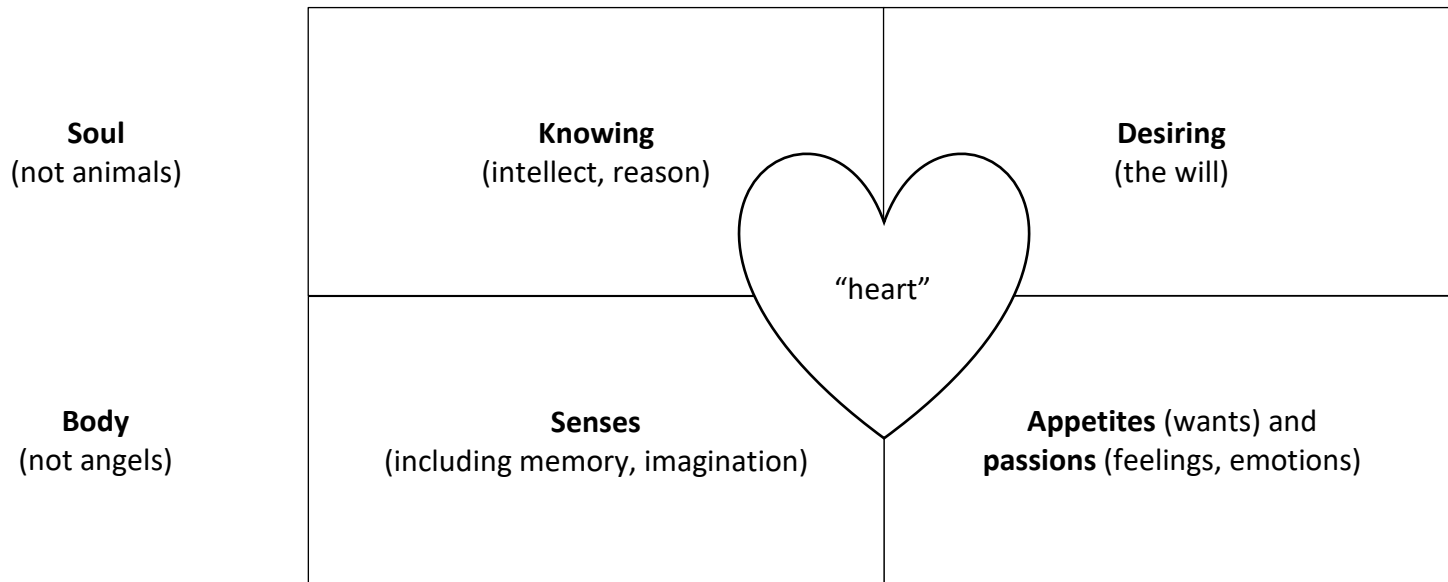

[This model is based on material presented in Matthew A. LaPine, *The Logic of the Body: Retrieving Theological Psychology*, Lexham Press, 2020]
