1. \_\_\_\_\_ believers will go through times of trials and may be tempted to think that the Lord has forgotten them.

2. In difficult times remember—it is possible that a mother may uncharacteristically \_\_\_\_\_ her nursing child, but God will never forget His people.

*“Jehovah’s remembrance of Zion is more enduring than the strongest \_\_\_\_\_ affection.”*  
- J. Skinner

a. By His own decree, the \_\_\_\_\_ can no more forget His people than He can forget Himself.

b. The Lord will bless the building up and expansion of His people in such a way that it \_\_\_\_\_ well beyond the boundaries of Palestine and into the nations of the world.

c. The Lord will so transform the hearts of men that even civil \_\_\_\_\_ will give nourishment and support to the church.

3. In difficult times remember—the \_\_\_\_\_ may be cruel and mighty, but God will so deliver His people that all will know what a glorious Savior He is.

4. In difficult times remember—the Lord is trustworthy and able to deliver, but often the suffering that is being endured is God’s discipline for \_\_\_\_\_.
