

Message Title: Increasing In the Knowledge of God

Theme: “A clear and certain perception of that which exists” is one of the definitions of knowledge from Noah Webster’s 1828 dictionary. This is like a child who knows who their parents are and can describe much of what they do, but they have no idea about why they wanted children. As God’s children we all know who God is and could say much about Him but just like children we know very little about God’s reasons for creating them. In fact, many times we question Him and even disagree with Him just like children do with their parents.

This message is more of a look into God’s motives for how and why He does what He does.

Salient Points: How can we glorify God, Glory is missing, Changed from glory to glory, Miracles demonstrate God’ glory, The Red Sea crossing, Not for entertainment purposes, His will or our opinion, It’s about the heart, False security, The road to Hell, For God’s pleasure, Who earned the credit, Free will, Choosing self or God, Recreated in Christ Jesus, Increasing in knowledge, Knowledge and pride, Avoiding pride, The trap of compliments, Missing the point, When it’s about “God, Like little children, What about the parent, Understanding God brings love with it, Rebellious children, Children lack understanding, Good parents, Lacking understanding of God, Gaining understanding.

~~~~~

The speaker would like you to know that all of these messages are in the chronological progression that God revealed them, and even though many may stand alone, they progress through several subjects that build on the previous lessons.

This series of messages titled "Our Timeless Creator" (OTC), shift the focus from salvation and service, to understanding God. How He who needs nothing, benefits from creating the human race.

It started in 2007 as God began answering a fervent prayer in connection with Psalm 50:15. "LORD, show me how to glorify you".

The speaker became a new creature, (2 Corinthians 5:17) on May 20 1973. At that moment the reality of GOD's existence and the direct connection to the Bible became miraculously clear. Overwhelmed with excitement he began telling everyone who had a few moments to listen, what he had found, like a man who had found a cure for a terminal illness that everyone had. His excitement and enthusiasm lasted for well over a year, even when some said, "you'll get over it." Slowly his efforts began to focus on responsibility and all of the how-tos of service. As the excitement faded it was replaced with frustration. He had said many times "the most frustrating thing in life is, knowing what GOD could do and watch him not do it". In 2005 GOD began a work as described in Job 5:17-18, that changed everything. He says," it was much like when I first became a child of God all over again".
