

EXODUS: Out of Egypt to Meet with God

Our God who Delivers

The Making of a Deliverer

Exodus 2:11-25

PASTOR'S PRAYER

Almighty Father God, You are our Deliverer, our Savior, our Rescue. Thank you for the unexpected turns and twists in our lives. The detours and roadblocks in life remind us that it is your divine plan which will be worked out and not our small, safe and temporary plans. Lord, thank you for looking on our burdens this morning. Thank you for hearing our prayer, remembering your covenant, knowing your people. Grant us, I pray, faith that we might trust Christ our Deliverer, our Savior and our Rescue from the slavery of our sin and sorrows from our guilt. May your grace come and accomplish much as we look to Christ this morning. Amen & Amen.
