### **PASTOR'S PRAYER**

Almighty God, you are faithful. You are faithful. You alone are faithful. Your mercy, loving kindness, and steadfast love endures from generation to generation. O how faithful you are to your people. Thank you for never retraining your mercy from us but instead lavishing us with your mercy, your steadfast covenant love and faithfulness. These alone will preserve us in our lives, in our relationships, in our marriages. O bring us I pray, O LORD, this morning to the cross and remind us again of our great sin, indeed our faithlessness, and your great salvation. We ask these things in the name of Jesus Christ, the Faithful One. Amen & Amen
