

Title: Not Two Selves In A Believer

Text: (various) Job 32:8; Ps 146:3-4; Mt 12:43-45; Mk 3:22-30; 5:1-20; Acts 19:13-16

OUTLINE

1A There are not two *human* selves battling in you as a believer

1B There's *only one human self* in a human being

2B The disturbed can express multiple human *identities* (but not multiple human *selves*)

3B The demon-possessed can express multiple *selves* (fallen angelic entities)

As a believer:

2A Sin's operating principle (the "*flesh*") remains active in you until your physical death

3A The *flesh* in you is not associated with the "new" you

4A The "new" you is to subdue the *flesh* & rule over it till your dying day

[We'll take up the remaining points, 2A-4A, in next Sunday's message.]
