1. Disciples saw a _____ conundrum,

Jesus saw a _____ opportunity. John 9:1-2

A. Right theology is _____.

B. Right Theology is _____ in
truly following Christ. James 2:19

C. Right Theology must be partnered with effective
_____. James 1:22-25

2. Pharisees were focused on dead _____,

Jesus was focused on life-giving _____ and healing.
John 9:3-7

“Legalism” Defined:

Believing that the following of man-made rules and regulations can provide me with salvation or a higher status in God’s eyes with little or no regard for the heart condition of the person acting.

3. Pharisees were focused on “the negative _____”,

Jesus was focused on absolute _____.

and _____ rightly.

2. Avoid having a condemning, critical attitude towards others as a first reaction.

3. Give God the _____ (praise) for what happens in and through you by your humility and witness.
