

God's Coming Great Reset, Pt 1

I'm sure you've been paying attention here and other places where mention of the World Economic Forum's "great reset" is coming and in fact, it appears as though it is being currently being built. The goal is to "transform" society globally into a 3rd world situation entirely except for the people who make up the elite and who would operate at the exclusive level high above the rest of us peons and serfs. What we are actually seeing is the fulfillment of Psalm 2 and the "rage of nations." In this case, it is the rage of globalists leading the charge who seek to fully control all of the earth. All of this appears to simply be humanity's last gasp attempt to unseat God from His throne and install leaders from humanity as gods.

Sound familiar? It should because it is simply a global echo of what Satan has always planned for himself. The reason this article is "part 1" is because I'd like to highlight and discuss aspects of Satan's plan to rule the world versus God's plan. This will include an outline of the events that are in front of us. I'm not going to even attempt to set dates because that's absurd since it goes way beyond what Scripture has revealed to us. In spite of this, many are still involved in trying to come up with formulas that they believe reveal future dates when things will happen.

I'd like to start this entire series off with a reminder from 2 Timothy 3 and 2 Timothy 4:3-4:

1 This know also, that in the last days perilous times shall come.

2 For men shall be lovers of their own selves, covetous, boasters, proud, blasphemers, disobedient to parents, unthankful, unholy,

3 Without natural affection, trucebreakers, false accusers, incontinent, fierce, despisers of those that are good,

4 Traitors, heady, highminded, lovers of pleasures more than lovers of God;

5 Having a form of godliness, but denying the power thereof: from such turn away. (2 Timothy 3:1-5 KJV)

and...

3 For the time will come when they will not endure sound doctrine; but after their own lusts shall they heap to themselves teachers, having itching ears;

4 And they shall turn away their ears from the truth, and shall be turned unto fables. (2 Timothy 4:3-4 KJV)

With the above two passages, the world is dealt a two-punch defeat. We can even throw 2 Thessalonians 2:11-12 into the mix.

11 And for this cause God shall send them strong delusion, that they should believe a lie:

12 That they all might be damned who believed not the truth, but had pleasure in unrighteousness. (KJV)

Satan has been working overtime to achieve his goals. He uses *and* deceives the oligarch technocrats of this earth who believe they actually "own" this planet. He has blinded them to think that they are working for *themselves* to ensure that they and they alone will be the supreme rulers of planet earth and all the resources of this planet will be available for them and their offspring. This is why the lies of climate change, sustainability and all the rest of the politically correct nonsense are pushed on us 24/7. The attempt to brainwash the masses is a full-time affair and many to most have succumbed to it.

Because of the recent alleged problems with the election, it appears that globalists have outdone themselves in pulling the electoral strings. If true, then clearly, they are all high-fiving themselves and laughing hysterically at us. They even have their "jackboots" in Congress and the media deciding that all who question this election need to "pay" for their "treason, insurrection" and the rest. In other words, don't dare even ask any question about whether or not there was any form of fraud with respect to this election. Ignore the fact that 27,000 troops protect the White House behind a 12' high fence but both McConnell and Pelosi both repeatedly told the DC Chief of Police "No" when he asked many times to bring in the National Guard for the January 6 rally for Trump.

It appears the entirety of Trump's four years may have been mired in ineptitude and obstructionism, according to author Patrick M. Byrne, who was involved with Sydney Powell and Gen. Flynn in attempting to help Trump through the alleged voter fraud situation. You can read his [five-part article here](#) (and scroll to the bottom for the "Preface" article, then "Introduction" then "Chapter 1" etc). I provide the link for information purposes only. I find it interesting and if true, then the Trump administration was a mess simply because either Trump was kept in the dark by obstructionists or was unable to see the reality himself. (Note, there are *swear words* in the article.)

Added to this, AG Barr not only worked *against* Trump, but worked *with* Biden's team to ensure that EO's were ready to sign by Biden. Anyone who knows anything about Barr knows that he was Mr. Swamp Creature himself going all the way back to the days of Randy Weaver/Ruby Ridge debacle.

But what is most interesting to me is that Christians understand the Bible teaches that Satan has simply pulled the wool over the elite's eyes as they believe that have pulled the wool over our eyes. We Christians who are the only ones who are actually truly "woke" understand that the deception the elite exist under will ultimately be their undoing. However, before that happens, Satan needs them as his workhorses to bring the entire world together in a one-world government. That is absolutely necessary.

This is why many professing Christians seem not to have a clue about what is coming and prefer to listen to the lies proffered by the many of today's "prophets" of NAR. I see many of these "prophet's" names pop up on social media constantly. Their "prophecies" always speak of what is supposedly right around the corner and how the USA will be magically saved by God Himself

through Trump or someone else. To many of these same folks, Q is viable and is only quiet now because of all the things that are allegedly going on behind the scenes.

Most recently I read on Gab that on February 12th, the coming "rescue" will occur and the USA will be saved. Others have said it won't happen until March or even mid-April. I'm seeing these type of posts on numerous social network channels. I think it's actually safer to say that the Cavalry is not coming and we'd better focus on what is and what will likely be.

Jesus Himself described these days in His Olivet Discourse of Matthew 24, Mark 13 and Luke 21. The days leading up to the actual Tribulation were not looking good and folks, we appear to be living in them now. My heart goes out to my children and their children. We have no idea just how bad things will become in America or the world, do we? We will get into the specifics of these things in future parts of this series. I'll try to keep them brief and include charts and pictures to aid in understanding. If you're like me, you a pictorial representation helps the understanding.

In general, and even with respect to many specifics, God has revealed His plans and those plans take into consideration and highlight Satan's plans. What's ultimately coming is not *humanity's* "great reset," but **God's Great Reset**. Humanity's "great reset" is simply the time just before and including the Tribulation.

Satan is on a leash. He's always been on a leash. If he wasn't, he would've killed Job. He'd likely kill each Christian who was fully committed to God and His will. Satan has *limited* power. He is not omniscient, omnipotent, or omnipresent. Satan is *not* God and that reality is very bristling to him, yet he has been working since his own fall to prove God wrong. This of course is the height of arrogance and his end will come soon enough.

But in the meantime, Satan runs around the globe working through the elite people who work so hard for him without even realizing the depth of Satan's hatred for them (and all other human beings). He has them convinced he is the true "light-bearer" and on an equal footing with God Almighty. Satan just needs the population of the earth, along with his fallen angels to tip the scales in order to dethrone God. Because of this, human followers believe Satan as Lucifer is the one who really cares about them, providing them with their riches and wisdom to create their paradise over the entire earth. As far as they are concerned, their attitude toward the rest of us is no different from Satan's, who hates us as much as possible but hides that hatred with those he needs to work *through*. This is all extremely clear in many of the New Age and Luciferic writings that have been produced over the decades.

These people are seriously deluded. They need salvation. They believe the lies of the enemy and willingly do his bidding. They think they will rule *with* Lucifer and they believe their work will actually help Satan to come out in plain sight to be king of this world. They believe they will be

richly rewarded with "eternal" physical life on earth and will be Satan's go-to people when he sets up his kingdom.

These elites do not understand that Satan is using them for the purposes of setting up his earthly kingdom, which will be allowed to exist for seven years (Daniel 2; see also Daniel 9:24-27). Satan couldn't care less about their welfare, but of course, knows that to get what he needs, he must outwardly treat them as if they are truly worthy.

So the elite are doing all the grunt work while Satan provides the unction. It is leading to the one-world global empire that the elite themselves believe they will rule over. Revelation 17 tells us that 10 of them will rise to do just that but their reign will be very short lived. In effect, once they coalesce the entire world into one and take their thrones, it will be then that Antichrist makes his move. He will rise from *outside* of them; not be part of their group of 10. He will take out three of them to show them he means serious business and the remaining seven will bow in allegiance to him.

We are going to get into all of this in detail with Scripture, beginning with our next installment. We will cover events leading up to the Tribulation (as much as God has revealed at any rate), the events of the Tribulation, the events after the Tribulation and return of Jesus, the Millennial Kingdom events and what follows. We will also cover the Rapture. All of this incorporates God's Great Reset and He will be victorious in accomplishing it.

I hope you'll join me then.
