Further Considerations

Ephesians 6:10-13

Why is the word “finally” significant to this section of the book? What are some areas where the spiritual battle is evident? Look at Ephesians 6:1-9. What potential areas of struggle are presented in these verses? Where does a Christian’s strength come from? What can you learn about your spiritual battle from these verses? In what ways do you see “the wiles of the devil” evidenced today?

Ephesians 6:14-17

What are the various components of the “armor of God” listed here? What do these pieces of armor reveal about the Lord? What can we learn about our adversary through considering these pieces? What are some practical steps that help you put on the whole armor of God? Which part is the only offensive piece of armor? Why is that piece so significant? How can you use the Word of God to deal with specific sin areas?

Ephesians 6:18-20

What is the emphasis of these verses? Why is prayer such an important part of our spiritual battle? What specific aspects of prayer are mentioned here? What is Paul’s prayer request for himself? What seems unusual about his request? In what ways can you relate to Paul’s request? Will you pray for boldness and the opportunity to share the gospel with someone this week?
