## QUOTE

*"There are two things which I have always looked upon as difficult. The one is to make the wicked sad; the other is to make the godly joyful. Dejection in the godly arises from a double spring; either because their inward comforts are darkened, or their outward comforts are disturbed."*

*By: Thomas Watson (17th century English Puritan)*

We encourage each one to quietly prepare his heart for worship before the beginning of each worship service, as this befits the glory of the God with whom we meet.

Offerings are collected on the literature table.

## OUR CHURCH

We are a congregation of the Free Church of Scotland (Continuing), which has a presbytery in North America. The Free Church traces its historical roots back to the Protestant Reformation in Scotland, which began in 1560. The same biblical truths and spiritual identity have been maintained to the present day. Our doctrinal standards are the original 17th century version of the *Westminster Confession of Faith*, the *Westminster Larger Catechism* and the *Westminster Shorter Catechism*. Further detailed information about our doctrine, worship, government, and practice is available on the book table and in the Church library.
