

I Found it
John 1:35-51

What does it mean to follow Jesus? How does it happen? What is the result of following Him? These questions are answered in John 1:35-51 where we observe five illustrations of the conversions of the first five disciples of Jesus during his public ministry. What happens to them? They see Jesus, and say, "eureka," which means, "I found it." And, they cannot help but tell others of His glory.
