

ALMOST PERSUADED

Acts 26

What is the book of Acts about?

How to be an effective witness:

1. **Permission** to speak has been granted (v.1-3).
2. Our **personal** testimony prepares the way (v.4-23).
 - a. Paul was **very religious** but lost (v.4-8). It is amazing that God can **raise** the dead; it is more amazing that He can **give life** in the first place.
 - b. Paul was a religious **radical** (v.9-11). Today we would have called Paul a **religious extremist**.
 - c. Paul was **radically** redeemed (v.12-23).
 - i. We must tell about our **conversion** (v.12-15).
 - ii. We must obey our **commission** (v.16-18).

iii. We must **consistently** share it (v.19-23).

3. We must **persevere** when facing protests (v.24-25).
4. We must make a **persuasive appeal** (v.26-30).
 - a. The **facts** are clear (v.26).
 - b. The **appeal** is made (v.27).
 - c. To be almost persuaded is to be **totally lost** (v.28).
 - d. Your rejection may be **final** (v.29-30).
