### **The Difference Between the Canonical and Apocryphal Books**

We distinguish those sacred books from the apocryphal, viz: the third and fourth books of Esdras, the books of Tobit, Judith, Wisdom, Jesus Sirach, Baruch, the Appendix to the book of Esther, the Song of the Three Children in the Furnace, the History of Susannah, of Bel and the Dragon, the Prayer of Manasseh, and the two books of the Maccabees. All of which the Church may read and take instruction from, so far as they agree with the canonical books; but they are far from having such power and efficacy that we may from their testimony confirm any point of faith or of the Christian religion; much less may they be used to detract from the authority of the other, that is, the sacred books.
