**Glory, Faith & Life**

Where can simple man find all the wisdom he needs for faith and life. The simple answer is simply the Word of God. Our Confession explains: The whole counsel of God concerning all things necessary for his own glory, man's salvation, faith and life, is either expressly set down in Scripture, or by good and necessary consequence may be deduced from Scripture: (WCF I:VI). You may not be a brainiac or the son of a brainiac ... maybe you are. Either way, if you have the knowledge of the glorious God, know the way of salvation and understand and apply biblical principles to life – you possess the kind of knowledge that surpasses all worldly knowledge. You have the knowledge of the glory of God – but do you bask in it? You know the way of salvation – do you revel in it? You know the path of life – but are you vigilant to stay on it? If you are in Christ you have profound wisdom, wisdom from above – you have it, but never stop going after it, keep going deeper into the mine of God's revealed wisdom. Study God, work out your salvation with fear and trembling, pursue the way of holiness and righteousness in every area of life and you will prove to truly be, as the Psalmist says you will be wiser than your enemies, have more understanding than all your teachers and even the aged as you will be wise beyond your years.
